Super - Ice

Product description

Super brings a fresh level of comfort and strength. Soft and cosy, it's built to stand up to the challenges of daily use, from busy hallways to living rooms filled with activity. The fabric holds its shape, even in high-traffic areas, making Super the ideal choice for spaces that need to look good and last long. It's plush where you need it, but durable enough to take on spills, foot traffic, and everything in between without skipping a beat.
